# COCKTAILS

*Asheville, NC*

Our family owned distillery began as an opportunity for a father and son to bond over their mutual love of science and appreciation for the art of distilling. Much of our inspiration comes from the Blue Ridge Mountains and our deep roots in Asheville, NC. Since launching as H&H Distillery in 2012, we have now grown into a full scale operation, renamed Cultivated Cocktails. Today our family operation includes two locations: our original distillery and a boutique bar and cocktail supply store. We have distribution in 28 states across the US, with plans to extend that even farther.

# Spirits

## HAZEL 63 RUM

*\$30.95*

A molasses based, American style rum. Double oak-aged over American and French Oak Spirals. Unlike Caribbean rum, we do not back-sweeten with extra sugar, resulting in a uniquely dry sip.

## HWY 9 GIN

*\$30.95*

An easily sipped, citrus forward Gin. Nine different botanicals work in perfect harmony for a brightly layered and delicately balanced sip.

## SHADES OF ROSÉ GIN

*\$35.95*

Our Hwy 9 Gin, taken one step further after a period of wine barrel resting. The process mellows out the citrus, juniper, and coriander flavors, while complimenting the cinnamon.

## ASHEVILLE VODKA

*\$19.95*

A surprisingly smooth and pure corn based vodka, polished with a Russian-imported filter that takes special care to remove any and all impurities.

## AVL CRÉME DE CACAO

*\$19.95*

This rich liqueur is made as a local collaboration using Nicaraguan cacao nibs from the French Broad Chocolate Lounge and blended to perfection with a corn vodka base.

## AVL COFFEE LIQUEUR

*\$19.95*

This delectable old family recipe is too good to not share. Dark roast coffee, Madagascar bourbon vanilla and pure cane sugar come together with a corn vodka base for this indulgent liqueur.

## APPALACHAIN APERITIF

*\$19.95*
